

Universal Hydrant Mount Monitor W/ 2 1/2" Monitor for NH Thread Part # 900785-1

The Stang Universal Hydrant Monitor is a direct replacement for the 103785 series clamp on hydrant mount. This system is an off the shelf unit and is applicable to a wide range of standard fire hydrants. Simply screw & tighten the NH coupling to the hydrant, adjust the legs so they make firm contact to the ground & lock off leg bolts.

Features

- Aluminum Bronze Swivels
- Full 360° Horizontal Rotation & +70°/-20° Vertical Travel
- Bladelock Travel Lock
- Adjustable Support Legs
- Standard Finish:
 - Stang Red Powder Coat
 - Add "EP" suffix for Epoxy Coat
